

September 8, 2020

Good Morning MCDC Community!

Welcome to the first day of the 2020-21 School Year! Today is the start of something special, and we are so excited to have you in our MCDC family. Your early learner is building upon a foundation of learning that will anchor her/him for the rest of their life. Our entire team is committed to ensuring your child is **safe, healthy, engaged, and learning.**

We know that this year continues to present unique challenges, but our MCDC family is strong and resilient. **Together we will grow in learning and innovation.** We stand in partnership with you, as we all experience life in a very new and different way. Our team will teach you new technologies and offer you engagement tools to deepen your relationship with your child. We will support you in learning enhanced health and safety protocols to help your family thrive. **We promise to keep your child's education at the forefront of all we do!**

In the coming days, you will hear more from members of our team. Please make sure we have your updated contact information and check your email regularly. Also, if you need help, feel overwhelmed, or have a question/concern, please contact us. Your child's teaching team and family engagement advocate are only a click away.

Thank you for allowing us to be a partner in your child's education. We look forward to a good year filled with unlimited possibilities.

Sincerely,

Tanya L. Poteat
Executive Director

Roslyn Terry
Deputy Director of Operations
